Have-Has-Module-3

Overview

Gobbledygook--Powered by Eezee English Zone takes immense pride to be associated with esteemed clients like you. We are creating a difference in adding finesse in the speaking abilities of our many students.

We intend to keep no stone unturned in providing customized and relevant exposure of English for your target group. By the end of the sessions, you will witness your target group possessing fluency, unflinching confidence and knowledge, surpassing their counterparts in other fields. However, this positive change can be envisioned and come to pass only if the target group attends all the classes and conducts the home assignments religiously.

Lesson objectives of the lesson plan:

- ☞ The students will be able to understand the tense better.
- ☞ The students will learn how to use have – has in conversation or informal writing.
